Take a pledge to buy local as much as possible this holiday season.

Thank you for using this guide to make a real and true impact by supporting local business this holiday season. This is the largest Holiday Gift Guide Ohio Valley Bank has compiled to date, thanks in part to our many unique retailers, restaurants, artists, and more.

Businesses send in their products for inclusion free of charge, and OVB takes on the time and expense to create the guide. We do this to remind our friends and neighbors of the importance of buying local during the holidays.

It makes a difference. *You* make a difference.

When you purposely choose to buy local, you dedicate yourself to give back where it means most...your hometown. Together, let's pledge to put our ***Community First*** during this season of giving.

From the entire Ohio Valley Bank family, we wish you Merry Christmas and a prosperous 2022.
