

****NEW LOCATION****

This year's OVBC Annual Shareholder's Meeting will be held in the brand new **Holzer Leadership & Innovation Institute** on the main campus of Holzer in Gallipolis.

Join us to see this new community treasure, learn about your company's successes and challenges, and honor OVB's 150th anniversary. We invite you to bring a family member or guest that has never attended the meeting before and may have an interest in future stock ownership.

Parking

All parking at the Leadership & Innovation Institute building is handicap only. We recommend parking in the lots at the Wound Center, Center for Cancer Care, or shelterhouse, which are all close by. These lots are marked with Ⓟ on the map above.

There is a convenient, covered drop-off/pick-up area at the Institute's front entrance.
